

LANCE THOMAS ACHIEVEMENT AWARD

In 1994, the NOTFEA Board of Directors decided to honor Lance Thomas by creating an annual award in his name. Lance worked for the National Highway Traffic Safety Administration as an odometer investigator until his retirement. His dedication to the work of combating odometer and title fraud is the fabric that legends are made of. Lance passed away June 1997. Now is your chance to honor another NOTFEA member for their noteworthy achievements in odometer and title fraud.
